ESD CERAMIC TIP TWEEZERS

TL/Tool Length: 150mm=L, 135mm=S

How to Order: TWZ-Material -TL-Tip Style
Example: TWZ-ESD-S-B

ESD protective material
No any tool deformation during your application for ceramic material tip

Tip style B is specially for threading gold wire less than 25um. Provide STABLE but SLIGHT clamping force, minimizes deformation of gold wire
